	<p>Much of March has been involved with the National events that have been hosted in Queensland this year. I assisted Pt Lookout Club with their preparations each morning of the Gold Medal and had the role of Tournament Referee for that Event. Wayne Lusk and the team at the Club did an excellent job of hosting this event. The rain caused some difficulty on the first day, but all competitors were happy with the venue. The Men's & Women's events and Eire Cup were held at several North & South Brisbane venues under the management of Geraldine Trivett. Some Clubs offered their Courts at short notice to enable the games to be completed efficiently. I was Manager and Captain of the State Eire Cup Team for the last five days. There was a need to arrange a new venue for the last three days of the Eire Cup following the sudden withdrawal of Wynnum Club as a venue for this event. Toombul Club offered their lawns for the three days remaining, and with the assistance of John Hardy and greenkeeper Wayne, the venue was ready for the next day play of the competition. Thanks to all Clubs, venue managers, referees, hoop setters, catering workers, lawn workers and Organising Committee for all the work in preparing and hosting these events. By the end of the competitions, covid19 started to have an impact on all aspects of daily activities. This had some effect on the awards dinner, with people opting to isolate. This has ramped up to advising that all CAQ Competitions being postponed or cancelled until the end of MAY. There is a real chance that this will be extended before normalcy returns. The covid19 virus is a concern that is being managed in line with ACA and advice from State and Federal Governments. Discussions will be made at our MC Meeting as how to manage ongoing.</p> <p>Don Close</p> <p>31/03/2020</p>
