Costs:

A \$50 deposit is required when booking.

As a basic guide for group bookings:

- If your group is seeking only to play croquet on the lawns, and access to the Clubhouse and catering facilities is **not** required, a **standard charge of \$10 per person through the gate is charged for up to two hours play**, with a **Minimum charge of \$100**. The hoops will be set up, mallets and balls supplied, and basic tuition given.

If you wish to extend this to three hours, an extra flat charge of \$50 applies.

As well as the Club Verandah, there is a shelter between the lawns available, and this is also suitable for serving refreshments.

- If your group would prefer a longer booking, including use of the Clubhouse and self-catering facilities, **the standard charge is \$10 per person through the gate, for up to 2 hours of croquet** (Minimum charge \$100). **Plus \$100 for use of clubhouse & catering facilities** for an agreed period. This covers hire of croquet equipment, set-up of lawns, and basic tuition.

- Events are on a self-catering basis. Alternatively, you may organise a caterer.

- Hire includes use of the barbecue if required. Croquet play stops at 6:00pm in Summer and 5:00pm. in Winter. Use of facilities may continue as arranged.

- For large groups of more than 20 persons, a discounted fixed charge may be negotiated with the Club Hire Officer, depending upon numbers.

- The Club doesn't have a liquor licence, however you may bring your own refreshments. No glass on lawns!

- Clean up is the hirer's responsibility

The club house is available for room hire only for meetings- rates negotiable.

The club house is also available for hire for functions- rates negotiable.

Arrangements for Children:

Our experience has been that children become bored quite quickly with croquet.

The Club requires that there be a designated supervisor for all children while on our premises. There is an excellent playground nearby in the Council's foreshore park.
